

Quiet Resorts Located in the Mountains of Georgia

Skip Davis

The mountains of Georgia are situated throughout the northern region of the state and offer tourists recreational facilities in the Chattahoochee National Forest. Some of these facilities include hiking trails and camping sites. The mountains in north Georgia are an hour away from Atlanta, so a peaceful, quiet trip is in the cards for vacationers who frequent this area. Resorts in the mountains of Georgia can accommodate you while you enjoy your tranquil getaway.
