Coral Hospitality ([www.CoralHospitality.com](http://www.CoralHospitality.com)), a full-service hospitality management company, today announced the completion of the second phase of its improvement project at Rosedale Golf & Country Club in Bradenton, Florida. Updates made during this recent phase, which represented a \$750,000 investment, include a full interior renovation and design enhancements at the 22,000-square-foot clubhouse including the lobby, restaurant, bar, community room and pro shop. More than 500 members were invited to experience the new design, which exemplifies a contemporary coastal style, during a ribbon-cutting celebration on September 30.

"Rosedale Golf & Country Club is truly an incredible country club and we are thrilled to be able to provide our members and guests with an exceptional club centerpiece to socialize, dine and celebrate," said Christopher Schaeffer, president of Coral Hospitality. "We were privileged to partner with a world-renowned designer, Clive Daniel Hospitality, to transform Rosedale's clubhouse with a clean, transitional design."

The newly refreshed clubhouse inspires casual elegance with a contemporary coastal style. The fresh, timeless design seamlessly incorporates beautiful, natural elements that bridge the gap between the Club's impressive indoor and outdoor spaces. Guests will delight in a grand entrance experience at the main lobby – with striking white stone walls, sleek floor and wall coverings, fresh new art, welcoming furniture, lustrous lighting and more. A few more exciting changes include the addition of a new 100-inch-wide, wall-hung fireplace in the bar, which is complemented by a matching 60" wall-hung fireplace in the main dining room. A 72" round contemporary crystal chandelier adds a bit of glamour to the space and illuminates the Club's newly added, custom-designed carpet featuring a floral motif, and new tables, chairs and tableware.

"It's absolutely beautiful! Coral Hospitality has done a great job maintaining the golf course and club here," said Debbie Judge, Rosedale Golf & Country Club member since 2014. "The clubhouse is a gathering place on Friday nights and there is always something to do other than just tennis and golf. We are so excited about this renovation!"

Rosedale Golf & Country Club features a par 72 course with a 22,000 square-foot clubhouse with bistro patio for entertainment and enjoyment. A three-time recipient of the Bradenton Herald's People's Choice Awards, Rosedale also features a Junior Olympic-sized swimming pool, five lighted Har-Tru tennis courts, a well-appointed fitness center, and an array of exceptional activities.

This second phase of renovations at Rosedale Golf & Country Club represent part of an overall \$1.5 million investment at the property since CH6 Rosedale acquired it in October 2015. Coral and its equity partners have launched an aggressive golf growth strategy, committing \$150 million and targeting South Florida-based courses and clubs between Tampa and Naples.
