Riverwood Golf Club

Celebrating 25 years of golf and nature at its finest

4100 Riverwood Drive
Port Charlotte, FL 33953
(941) 764-6661
www.riverwoodgc.com

Now celebrating its 25th anniversary, Riverwood Golf Club is proud to reminisce on a quarter century of creating unforgettable memories for members and guests and emerging as one of Florida's favorite golf courses.

Consistently ranked as one of the Top 15 courses in Florida, Riverwood flows across 1,300 acres of beautiful wooded terrain, tranquil salt marshes and lush wetlands. Each hole of the spectacular, perfectly manicured, par-72 championship course offers distinct challenges and beautiful, natural views to be enjoyed. Designed by master architect Gene Bates, Golf Advisor ranks Riverwood the top spot in Florida based upon customer reviews. On the national stage, Riverwood has received recognition as a Top 100 Lady-Friendly course by Golf for Women magazine and has been honored by Golf Digest with four-and-a-half stars.

Located inside the prestigious, master-planned Riverwood community, Riverwood Golf Club maintains an open membership policy that invites

individuals to join regardless of where they call home. The club offers multiple levels of memberships, tailored to suit each type of player and household. With incredibly active men's and women's associations, the club hosts more than 100 social functions every year. Plus, all memberships include use of the golf course, practice area, intimate clubhouse and grille room.

Whether you are a weekend warrior or a newly retired executive looking for a place where you truly feel you belong, Riverwood offers plenty of opportunities to make new friends, celebrate, relax and, of course, play amazing golf. As a part of the club's 25th anniversary celebration, Riverwood is offering some of the most significant membership incentives in the property's history, with up to \$10,000 in savings for full golf memberships.

Riverwood Golf Club is managed by Coral Hospitality, a market leader that delivers unparalleled service to guests and members of golf and country clubs across the Southeast. Riverwood is a proud participant in the company's

philanthropic program, CoralCares, which supports the local community as well as national organizations such as Folds of Honor, a group that provides scholarships to the spouses and children of disabled or deceased military veterans. Through annual golf tournaments and marathons, retail sales promotions and other fundraising initiatives, Riverwood members have the opportunity to support the families of service members through this rewarding initiative.

For more information about Riverwood Golf Club or to inquire about membership, contact Sally Livingston, Director of Membership Sales at (941) 764-6661 Ext. 237.
