

Aerial Adventure at Unicoi state park and lodge

May 7, 2017

The Unicoi State Park & Lodge features more than 200 guest accommodations, including lodge rooms, unique one to three bedroom barrel cabins, deluxe lakeside cabins, and private and group campsites with camper-ready conveniences. In addition to the new Aerial Adventure Park with 19 ziplines and 9 skywalk bridges, you can enjoy paddle boarding, kayaking, fly fishing, GPS scavenger hunts, 3-D archery, mountain biking and more. The Aerial Adventure Park at Unicoi State Park & Lodge is priced at \$59 per person for Level I and \$89 for the new Level II full course. Save when you book the 'Zip N Stay' package which includes a one night stay in the lodge and a Level I or II Aerial Adventure Park tour for two. Prices start at \$89 per person (which is the cost of the full course – it's like getting the hotel for free). To book, use promo code UZIP. www.UnicoiLodge.com or call 800-573-9659.

JS tip – This is the largest zipline canopy tour and aerial adventure park in North Georgia with lines that measure up to 2,000 feet in length (which means you will be zipping for almost 2 minutes at speeds of up to mph). Not to worry... American Adventure Park Systems has implemented its proprietary QuickTrekker closed belay system, the safest harness system in the industry.
