Adventure

JUNE MAY HAVE been nationally recognized as Great Outdoors Month, but don't let

July's arrival keep you indoors — especially when the Aerial Adventure Park is now open at Unicoi State Park and Lodge in Helen.

Consisting of 11 ziplines and seven suspended bridges with varying heights and lengths that appeal to beginners and thrill-seekers alike, the Aerial Adventure Park will get hearts racing — all while strapped in the industry's safest harness system. While airborne, take in panoramic views of the park's expansive greenery, as well as surrounding lakes and mountains ... maybe even spot a bald eagle or a red-tailed hawk too.

At \$59 per adventurer, the price includes all necessary gear, guides and a full two hours of fun on the course. Extend your stay and immerse yourself in the Georgia State Park with paddleboards, S'mores around the campfire, fly fishing classes, wilderness hikes and more. Nightly room rates at Unicoi Lodge start at \$109. unicoilodge.com
